Winterthur Tour

Wilmington, Delaware

Itinerary:

1. Garden Café – lunch upon arrival. This is a cafeteria style lunch and the cost for your lunch is not included in the \$17 cost for the trip. There is a wide assortment of sandwiches, salads, etc. and our group will be able to eat together before we continue on with the tours.

2. Garden Tram Tour: a 25-minute narrated tram tour through 60 acres of garden, weather permitting. 1,000 acres encompass rolling hills, streams, meadows, and forests. Founder Henry Francis du Pont (1880-1969) developed an appreciation of nature as a boy that served as the basis for his life's work in the garden. He selected the choicest plants from around the world to enhance the natural setting, arranging them in lyrical color combinations and carefully orchestrating a succession of bloom from late January to November.

3. Guided Tour of Winterthur: a one hour guided tour highlighting exquisite spaces in which Henry Francis du Pont entertained family and friends in grand style. Many of these rooms with historical architecture, are furnished with his outstanding collection of antiques and objects added since his death. In the galleries, explore unique displays crafted by Winterthur curators with selections from the collection of nearly 90,000 objects. These spaces are devoted to themes such as the history of style and specific media, including furniture, ceramics and glass, metals, textiles, paintings, and prints and the world-renowned Campbell Collection of Soup Tureens.
