

Township of Manalapan

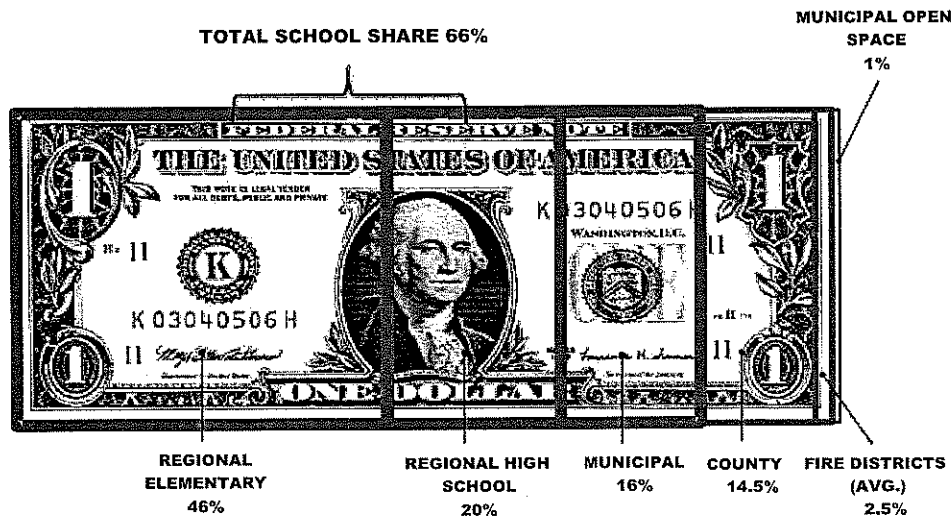

Dear Property Owner:

Enclosed is your tax bill which is made up from numerous budgets set by different governing bodies: the school budgets, the county budget, fire districts and the township's municipal budget. While the township only has oversight and jurisdiction over the municipal portion of the bill, we are required to collect all taxes and then pay each district their full share.

During these unprecedented times, the Township Committee continues to provide high quality and essential municipal services to the residents of Manalapan while minimizing the impact to township taxpayers. Township employees have been working throughout this crisis to assist all residents. We are here for you.

As you can see on the exhibit to the left, the Township only retains sixteen cents of every dollar collected. If you have any questions concerning any of the amounts, please contact that agency directly.

For your convenience taxes can be viewed and paid on-line via credit/debit card or e-check. For detailed information visit the Tax Collector's page on the Township website www.mtnj.org.
