## Spring Theatre Workshoppe:

Welcome to the world of theater where your child can explore, create and be anything they want to be in a safe, fun environment.

In our class, the students will learn the basics of working on stage.

Our goal is to allow your child to gain confidence while entering the world of pretending.

With many improvisation games, short scripts, monologues and dialogues,

there is never a dull moment.

Program will conclude with a public stage performance on the  $10^{\text{th}}$  session.
