ATTENTION:

Continuing Care Retirement Community Veterans

As per Public Law 2019, chapter 203, approved August 5, 2019, Continuing Care Retirement Community (CCRC) Veterans are now eligible for a \$250 Property Tax Deduction.

On November 5, 2019 New Jersey voters approved an amendment to the State Constitution authorizing an annual \$250 Property Tax Deduction for qualified New Jersey war veterans, or their surviving spouses, who are CCRC residents. The Constitutional provision took effect on December 4, 2019 for veteran deduction eligibility in tax year 2020.

Please contact your local tax office to inquire and apply for this benefit.

Note: Veterans, or their spouses, can only receive one \$250 property tax deduction per year. A veteran who receives a deduction through the CCRC cannot receive another property tax deduction on any other property he or she owns, or in which a family member lives.
