

Planning/Zoning & Code Enforcement Office Policies While Municipal Building is Close

COVID-19 UPDATE/PLANNING/ZONING/CODE ENFORCEMENT OFFICE POLICIES

The Township has made a decision to change the permit process in the Planning/Zoning & Code Enforcement Department until further notice.

Town Hall will be closed to the public; however, a drop box is located in the vestibule as you enter the Municipal Building for submissions.

Please enclose all your documents in a sealed envelope addressed to our attention and drop it the drop box. Once your permit is processed we will send a copy to you via US Mail.

Zoning permit application and Zoning-Certificate of Continued Occupancy applications can be found on display in the vestibule as you enter the Municipal Building.

All of our applications, documents and information sheets are on our webpage under “Departments”:

- Zoning/Enforcement
- Planning & Zoning
