Leaf / Branch / Brush

Leaf Collection - Pursuant to Township ordinance #198-18 – 198-23, all leaves must be placed in biodegradable paper bags. Leaves placed in plastic bags will not be picked up from curb area or accepted at the Public Works yard. Leaf collection this fall will be on **every Monday in November and December**. Please place bagged leaves at the curb, not in the street, on the **FIRST** day of each collection to insure you will not miss any of the collections. The exact day of leaf collection is impossible to determine. Bagged leaves containing twigs, grass, brush, weeds or other debris **will not be collected**.

Brush Collection - The Township will be collecting brush in the Spring beginning on April 23rd. The Department of Public Works will be making one pass throughout the town. To insure that you are not missed, please make sure that all brush is placed neatly on the curb (not in the roadway) by this date. Should you miss this collection, brush can be brought to the Public Works yard on Saturdays only throughout the year between the hours of 8:00 a.m. and 2:00 p.m.

Storm Damage - Any storm damage due to wind shears, hurricanes, tornadoes, or nor easters, as determined by the National Weather Service will be collected by the Department of Public Works. Residents must contact the Department of Public Works at 732-446-8403 to schedule a pick up. If the Department of Public Works is not notified within 2 weeks of a storm, removal of any storm damaged limbs will be the homeowner's responsibility.

Dear Manalapan Township Residents:

We hope that you find this 2012 Manalapan Township Recycling and Garbage Calendar to be a convenient and informative guide to the Township policies and schedules. Manalapan Township welcomes Future Sanitation as our new Garbage and Recycling hauler. During this change we will be taking a more positive roll in recycling. We have removed yard debris from the garbage collection and by keeping these recyclables out of the garbage we will save significantly on our disposal costs. Information is provided within this calendar regarding our new Spring Branch and Brush collection.

The Township will do their role by focusing on educating, monitoring and enforcing recycling within our community. Garbage that includes recycling material will be tagged by the hauler and will not be collected.

Please check this calendar often to insure that items are placed curbside in the correct manner and day. Dates and information can also be found at www.mtnj.org.

We can all work together to ensure that these valuable materials are recycled properly.
