Travel to the Nether with Snapology but watch out for those creepers! Join us as we bring Minecraft® to life using LEGO® bricks, creativity, and maybe even in the game itself. Each week students will work on awesome activities that will allow them to create their own Minecraft® world, including animals, creepers, 3D Minecraft® characters, and more! Lessons involve critical thinking, architecture, socialization, and a whole lot of imagination. Minecraft® Makers will come together to make awesome builds each week.
