

2021 MANALAPAN SUMMER RECREATION PARENT MANUAL

This manual is intended to inform parents of the camp procedures. We kindly ask that all parents **read this document in its entirety** to **ensure the highest level of safety and preparedness** for their children. The camp staff assumes that you have read and fully understand the information in this manual prior to the start of camp. Even if your camper has attended this camp in the past, procedures may have changed, so it is important that you read this document.

What is included in this manual?

1. Parent Drop-Off/Pick-Up Procedures
2. Recommendations for What Campers Should Bring to Camp
3. Lunch & Water Recommendations
4. Camper Dress Code
5. Anti-Bullying Policy
6. Camper Behavior Agreement
7. Inclement Weather Procedures
8. Medical Staff
9. Weekly Newsletter
10. Contact Information
11. Covid-19 Addendum

1. PARENT DROP-OFF/PICK-UP PROCEDURES

*If you do not sign-up your child(ren) to take the bus to and from camp, you are required to follow the procedures below.

We anticipate that traffic both in the mornings and afternoons will be **relatively heavy**, so we ask that you follow the procedures below and be patient as we facilitate these procedures on a daily basis.

Parents will need to drop-off and pick-up their children at different parking lots depending on their children's camp group.

If your child is in either a Kindergarten or a First Grade group then your child must be dropped off between 8:15am and 8:30am in Parking Lot 1 only. When entering in the Recreation Center's main entrance, this is the first parking lot on the left.

If your child is in either a Second Grade or Third Grade group then your child must be dropped off between 8:15am and 8:30am in Parking Lot 3 only. When entering in the Recreation Center's main entrance, this is the third parking lot on the left.

If your child is in either a Fourth Grade or Fifth Grade group then your child must be dropped off between 8:15am and 8:30am in the Dreyer Parking Lot only. When entering in the Recreation Center's main entrance, this is the first parking lot on the right.

If your child is in either a Sixth or Seventh grade group then your child must be dropped off between 8:15am and 8:30am in the West Parking Lot only. This lot can either be accessed from its own entrance on Route 522 or by driving through the Dreyer parking lot.

For afternoon pick up please go to the same lots as you do for drop-off between 2:45pm and 3:00pm and follow the procedures below.

To ensure the safety of your children we are requiring that parents show their driver's licenses (or an alternative ID) to a counselor, so that we are certain the children are going home with a parent. If persons other than a parent will be picking up your children, we require that parents complete our "Pick up Authorization Form" indicating exactly what individuals are allowed to pick-up their children from the recreation site. Those individuals will also be required to identify themselves. To add additional names to that list during the camp season, a parent must write and sign a letter indicating the additional names and deliver it to the program.

*Please note that counselors will be required to check identification every single camp day for at least the early camp weeks until they are able to identify you as the parent without seeing your license. We appreciate your cooperation as it is our way of maximizing the safety of your children.

Late Drop-Off & Early Pick-Up Procedures*

If parents wish to drop-off their child after 8:30am, regardless of what camp group the child is in, parents must bring their children to the Kuschick Pavilion located next to Parking Lot 2 and sign them in with the EMT staff. We will unite the children with their camp groups from there. When entering in the Recreation Center's main entrance, the Kuschick Pavilion is the second parking lot on the left.

Likewise, if parents wish to pick-up their children prior to 2:30pm, regardless of what camp group the child is in, parents must go to the Kuschick Pavilion located next to Parking Lot 2 and request that one of the EMT staff members have their children brought to the Kuschick Pavilion for dismissal. Please also note that after 2:30pm camper sign out *cannot* occur.

2. RECOMMENDATIONS FOR WHAT CAMPERS SHOULD BRING TO CAMP

We recommend that parents send their children with a back-pack that includes the following:

- Bottle(s) of Water
- Lunch
- Money for Ice Cream (optional)
- Suntan Lotion with sunscreen
- Snacks (especially for After Care campers)
- Towel/bathing suit (field irrigation available daily as sprinklers)
- Hand sanitizer

*Please have campers leave valuables at home. We are not responsible for lost or stolen items including but not limited to iPods, cell phones, digital cameras, etc.

3. LUNCH/WATER RECOMMENDATIONS

Campers need to bring their own lunch. Please know that your child will not have access to refrigeration. Because of this, we recommend insulated “cooler” lunch bags and/or nonperishable foods. **There will be no concession stand to purchase snacks.**

It will be essential that the children remain hydrated throughout the camp day. We expect that children will bring a water bottle (or some equivalent bottle) with them to camp. Campers will have the ability to refill their bottles with water throughout the camp day. Water will also be sold on the ice cream trucks.

4. CAMPER DRESS CODE

Every camper is provided summer recreation t-shirts. **Campers must wear their summer recreation t-shirt every single camp day.** This may become flexible due to our smaller camp size. It is the unique group color of the shirts that allows for maximum recognition and organization throughout the camp day. Camp t-shirts should remain in their ***original form***. **Campers are not permitted to write on or cut the shirts.** If a shirt is altered in any way, the camper will be addressed and will be told that he/she is not permitted to wear the altered shirt to camp any more.

In addition, children must come to camp prepared to participate in activities. This means that **sandals, flip-flops, and other nonathletic footwear are not permitted.** All campers should wear sneakers or an equivalent shoe. Parents will be contacted to pick up a camper wearing inappropriate shoes. (Flip flops or water shoes will be permitted at swim sites only.)

All children will have the opportunity to play in sprinklers at the Recreation Center as well as our Splash Pad facility, as a respite from the summer heat and humidity. We recommend that

campers be sent with shorts that are quick drying. If children do not want to wear wet t-shirts after their sprinkler time, male campers will be permitted to take off their shirts only during the sprinkler time, and if female campers are wearing a bathing suit underneath their t-shirts, they will be permitted to do the same. T-shirts will have to be worn immediately after the sprinkler and Splash Pad activity to prevent sunburn.

5. Anti-Bullying Policy

Bullying is when one or more people exclude, tease, taunt, gossip, hit, kick, or put down another person with the intent to hurt another. Bullying happens when a person or group of people want to have power over another and use their power to get their way, at the expense of someone else. Bullying can also happen through cyberspace: through the use of e-mails, text messaging, instant messaging, and other less direct methods. This type of bullying can also lead to persons being hurt during the camp season and can be especially hurtful when persons are targeted with meanness and exclusion.

At Manalapan Recreation Summer Camp bullying is inexcusable, and we have a firm policy against all types of bullying (see Camper Behavior Agreement). We are committed to a safe and enjoyable camp environment for all of our campers and staff, free from harassment, intimidation, or bullying. We work together as a team to ensure that campers have a safe and fun summer that results in a lifetime of great memories.

Unfortunately, persons who are bullied may not have the same potential to get the most out of their camp experience. Our leadership addresses all incidents of bullying seriously and trains staff to promote communication with their staff and their campers so both staff and campers will be comfortable alerting us to any problems during their camp experience. Every person has the right to expect to have the best possible experience at camp, and by working together as a team to identify and manage bullying, we can help ensure that all campers and staff have a great summer at Manalapan Recreation Summer Camp.

6. Camper Behavior Agreement

***The following information will be distributed on the first day of camp and must be signed and returned the following day. It is important that both the parents and campers understand and abide by the following agreement:**

- Arrive and remain at camp with a positive attitude, open to meeting new people, and trying new activities.
- Work with counselors and fellow campers towards creating an environment that is safe and welcoming for everyone
- Understand that doing intentional harm or bullying another camper, either physically or emotionally is grounds for dismissal from camp.
- Understand that doing intentional harm, like vandalism, to the camp site is grounds for dismissal from camp.
- Understand that although you may be able to solve some conflicts on your own, the counselors are always ready to listen and assist if there is a problem. Understand that your counselors and all of the camp staff need and want to help, but can only do so if you are willing to share any concerns that you have with them.

- Remain with counselors and partake in the activities that are planned.
- Use appropriate language and understand that the use of excessive, deliberate, profane language will not be accepted.
- Do not use your cell phone during the camp day, unless given permission by your Group Supervisor/Lead Counselor and leave all other electronic devices at home.
- Be respectful of the property and personal space of other campers and camp staff.
- Do not possess smoking materials, lighters, matches, illegal drugs, alcohol or weapons of any kind.

The Manalapan Parks and Recreation Summer Camp operates on a three-strike policy. The first infraction will result in a verbal warning between staff and camper(s) and documentation of the incident. The second infraction will result in suspension from the camp program. A third infraction will result in a conference between the camper(s), parent(s), Camp Director, and the Superintendent of Recreation (if needed). This third infraction can result in suspension or the removal from the camp program.

Refunds are not given for any camper who is sent home/removed from the program for disciplinary reasons.

A **zero tolerance policy** is enforced in regards to physical aggression. Any camper who commits an act of physical aggression against another camper, staff member, or anyone else will be automatically suspended from the program. As a parent, you will be responsible for picking-up your camper within one hour of the decision to suspend your child from camp. Depending on the act of aggression, your child may not be able to return to camp for the remainder of the camp program.

7. INCLEMENT WEATHER PROCEDURES

In the event of inclement weather, camp will be cancelled. If camp is cancelled for the entire day, the decision will be made by 7:00am and all parents/guardians will be notified by email and phone shortly thereafter. If a trip is scheduled on a camp day that is cancelled, the trip will possibly be rescheduled or the parents/guardians will receive a credit to use towards another scheduled trip that still has available space.

If the campers have arrived to camp and the weather becomes inclement, the camp day will be cancelled for the 2nd half of the day. This decision will be made by 11:00am and parents/guardians will be notified by email and phone shortly thereafter. All campers must be picked up no later than 12:30pm. There will be no after-care on these days. The pick-up procedures will always be the same (see number 2 above). If your child is on a trip and the 2nd half of the camp day is cancelled, the campers will most likely stay on the trip and a different pick-up time will be designated only for the campers on the trip. If this occurs, the pick-up site may be adjusted in order to keep the campers out of the weather. You will be notified of any changes.

We will do our best to keep the campers as dry as possible, but we do recommend that on days when there is a chance of rain the campers be sent with a small umbrella or rain coat (see number 3 above).

8. MEDICAL STAFF

We have four full-time EMTs as part of our summer recreation staff. Their duties will be to ensure the medical well being of your children. EMTs are not permitted to hold or dispense medications of any kind. The medical staff will be housed in the Kuschick Pavilion. In addition, two of our four EMTs are located at the West Pavilion. If a serious injury or condition should arise, parents will be notified by telephone. Please be sure we have your correct emergency contact information.

9. WEEKLY NEWSLETTER

Each week an email “blast” will be sent out to the parents of all registrants that will highlight the previous week’s activities and inform the parents of the upcoming week’s events. You will not be able to receive these blasts if we do not have your proper email address. Please take a moment to confirm your address with our main office if you have not already done so.

10. CONTACT INFORMATION

For questions or concerns regarding the summer program please direct your questions to the Manalapan Parks and Recreation Office at 732-446-8355 or feel free to email the Summer Program Coordinator, Jim Tumbleson.

11. COVID-19 ADDENDUM

This program will be following the Covid-19 restrictions put forth in the NJDOH Youth Camp Standards Guidelines. Enhanced cleaning and disinfecting is part of the daily operations within the program. We ask that all parents reinforce washing of hands, wearing of masks (when necessary) and social distancing (when necessary) with their camper.

- Campers must wear masks when outside of their group (i.e. bathroom; EMT visit)
- Campers must maintain a 6 foot distance from others when outside of their group
- Parents must perform Covid-19 screening prior to attending camp each day (see Covid-19 Self Assessment screening). Campers should stay home when showing symptoms of Covid-19 or after exposure. Parents must notify camp administration IMMEDIATELY if Covid-19 symptoms exist or exposure was determined.

Thank you for choosing to have your children spend the summer with us!

Camper Behavior Agreement

It is important that both the parents and campers understand and abide by the following agreement:

- Arrive and remain at camp with a positive attitude, open to meeting new people, and trying new activities.
- Work with counselors and fellow campers towards creating an environment that is safe and welcoming for everyone
- Understand that doing intentional harm or bullying another camper, either physically or emotionally is grounds for dismissal from camp.
- Understand that doing intentional harm, like vandalism, to the camp site is grounds for dismissal from camp.
- Understand that although you may be able to solve some conflicts on your own, the counselors are always ready to listen and assist if there is a problem. Understand that your counselors and all of the camp staff need and want to help, but can only do so if you are willing to share any concerns that you have with them.
- Remain with counselors and partake in the activities that are planned.
- Use appropriate language and understand that the use of excessive, deliberate, profane language will not be accepted.
- Do not use your cell phone during the camp day, unless given permission by your Group Supervisor/Lead Counselor and leave all other electronic devices at home.
- Be respectful of the property and personal space of other campers and camp staff.
- Do not possess smoking materials, lighters, matches, illegal drugs, alcohol or weapons of any kind.

The camp administration will take all reported incidents seriously and apply appropriate consequences. Some may require a stern warning and a call home, but some may require suspension or dismissal.

Refunds are not given for any camper who is sent home/removed from the program for disciplinary reasons.

A **zero tolerance policy** is enforced in regards to physical aggression. Any camper who commits an act of physical aggression against another camper, staff member, or anyone else will be automatically suspended from the program. As a parent, you will be responsible for picking-up your camper within one hour of the decision to suspend your child from camp. Depending on the act of aggression, your child may not be able to return to camp for the remainder of the camp program.

**Manalapan Recreation COVID-19
Program Health Self-Assessment Screening**

*Please be sure you perform this assessment PRIOR to attending a
Manalapan Recreation sponsored program*

1. Do you currently have a fever of 100.4 degrees F or greater?
If no, go to the next question. If yes, no further screening is required.
Individual is unable to participate.
2. Do you have a cough or shortness of breath that began within the last 14 days?
If no, go to the next question. If yes, no further screening is required.
Individual is unable to participate.
3. In the past 14 days, have you received a positive test result from a COVID-19 test that tested saliva or used a nose or throat swab (not a blood test)?
If no, go to the next question. If yes, no further screening is required.
Individual is unable to participate.
4. In the past 14 days, have you been in close contact (within 6 feet for at least 10 minutes) with anyone who either tested positive for COVID-19 (not a blood test) or developed symptoms of COVID-19 (fever, cough or shortness of breath)?
If no, individual may participate. If yes, individual is unable to participate.

Thank you for your assistance in keeping our programs safe!
