

House number painting on your curb

\$15 donation per house

In time of an emergency, a clear, easy to read house number is important for police, fire and first aid. The Manalapan Township Police Department's Volunteer **Police Explorers** will be in your development during October and November to paint house numbers on the curbs. Reflective white paint will be used with the number outlined in black.

The Police Explorers are made up of a "club" of 6th-8th grade resident students and the "post" is made up of young men and women ages 14-20. They assist our police department through various events in and out of town. They are hoping to have a career in law enforcement.

The donations raised will be used for uniforms, equipment, training and conferences.

Please fill out this form and include your \$15 donation and hand to or mail to:
