Fundamentals of the Manalapan Summer Recreation Program

Location and Length

All of the camp groups are centrally located at the Manalapan Recreation Center directly across from the Municipal Building on Route 522.

The Recreation Center is conducive to a variety of activities for the campers while maintaining effective supervision.

The program runs from Monday, June 27th through Friday, Aug 5th (No program on July 4th).

The final day of the program August 5th will be a half day (ends at 12:00 pm).

Organization

For effective management and organization, the camp groups are divided into four clusters.

Cluster 1 includes all campers who are currently in kindergarten and first grades.

Cluster 2 includes all campers who are currently in second and third grades.

Cluster 3 includes all campers who are currently in fourth and fifth grades.

Cluster 4 includes all campers who are currently in sixth and seventh grades.

Our Cluster Directors are Certified school teachers. Each grade is also subdivided into smaller groups headed by a Group Supervisor. The Group Supervisor positions are filled by either adults with teaching experience or upper classmen in college with significant experience as a summer camp employee. To assist with visibility and management, each group will be assigned to a specific colored T-shirt.
